

ATOS TRIO

(Piano Trio)

Press Quotes

"Atos has risen steadily through the ranks to become one of the elite piano trios before the public today. The Atos Trio's perfect harmony yields master pieces."

WASHINGTON POST

"From the beginning it was plain that this was a unified ensemble, not just three gifted soloists. ...the playing was brilliant and emotive by turns"

CHICAGO TRIBUNE

"Most distinctive was the group's use of dynamics. Rarely does an ensemble derive so much meaning and feeling out of sheer fluctuations in volume. Moreover, the players espoused pristinely clear articulation, relating the music's every detail. "

CLEVELAND PLAIN DEALER

"Technical Mastery, polished interpretations and a deep sense of teamwork put them into a league all their own"

SUN HERALD, AUSTRALIA

"The sound of the ATOS Trio was silky smooth. All the instruments were nicely integrated each contributing fully yet equally which resulted in such a pleasurable experience for the listener."
