

FAURÉ QUARTETT

(Piano Quartet)

Press Quotes

„The Fauré Quartet members proved just as successful in Brahms’ Piano Quartet No. 1 in G minor, a much better-known quantity. Again, the musicians brought both strength and refined lyricism to the work, as with the vivacious lilt to the Intermezzo and a charming insouciance to the movement’s coda.“

CHICAGO CLASSICAL REVIEW

„The whole performance had a prismatic vigor.“

INDIANAPOLIS STAR

„This was a performance of great finesse and sensitivity.“

REGISTER, NAPA VALLEY

„The communication between the four performers was as beautiful to watch as their music was satisfying to hear. This quartet thinks and breathes as one, focused on a singular, clear vision for their music making.“

TORONTO STAR

„By any standards the individual members of the Faure Quartett play extremely well. What is especially impressive, however, is how well they play together and how well balanced is the total ensemble.“
