

# CHRISTOPHER LYNDON-GEE

(Conductor)

## Press Quotes

*"Musically, Christopher Lyndon-Gee blows Boulez away. His Arcana is only about a minute faster, but sounds ten times more exciting, more dynamic, more rhythmically emphatic, more committed. ... The other works offer still more evidence of extraordinarily communicative musicianship. In short, this wholly unexpected surprise of a disc will delight Varèse fans. Lyndon-Gee's interpretations offer a wholly winning freshness of their own".*  
DAVID HURWITZ, CLASSICS TODAY, NEW YORK

*"The recording is excellent, the performances by the Polish Radio Symphony gutsy and muscular."*  
THE SUNDAY TIMES, LONDON

*"Boulez gets the clearer sound, but, for the record, the players of Lyndon-Gee's Polish National Radio Symphony Orchestra are every bit as good as their more famous Chicago counterparts."*  
THE GUARDIAN, LONDON

*"Through his energy, his fantastic musicality and his authority breathed life into the even weaker pieces"*  
NDR HAMBURG
