

# MINGUET QUARTET

(String Quartet)

## Press Quotes

*"It was like a never ending fascination how the Minguet Quartet, with unmistakable intuition, forced words to stand still, how they paused time and thus made music a miracle. I cannot imagine a more illuminating interpretation, a more convincing density in playing these pieces than the one I heard in Salzburg."*

FRANKFURTER ALLGEMEINE

*"A world class string quartet from Germany, with an impressive range of CDs to their credit, the Minguets gave an enthralling recital at Conway Hall"*

MUSICAL POINTERS, London

*"It is a well-matched ensemble, the second violin strong and assertive, all four members playing with focused clarity. The Minguet gave it's all: virtuosity and passion. The hair trigger dynamic contrasts and flawless ensemble interplay showed the group's high technical quality."*

WASHINGTON POST

*"The Minguet presented everything that the string music can offer: from velvety sounds to articulate pizzicati to lyrical flowing passages"*

STUTTGARTER NACHRICHTEN

*"A multidimensional, sparkling sound cosmos"*  
for Rihm Recording CLASSIC.COM

*"Technical and emotionally perfect"*
